

National Service User Awards

User Awards

★ 2020 ★

These awards celebrate the achievement of service users and residents who use mental health or learning disability services throughout the UK. The awards recognise the large number of service user projects that have made a difference at a local level.

How can you get involved?

★ Making a nomination ★

Nominations will open on **31st October 2019** and close on **31st January 2020**. This is where a service can nominate a service user led initiative or project for an award. You can see the categories and submit your nominations at www.nsua.org.

★ Be a service user judge ★

All nominations are shortlisted and winners chosen by a judging panel, you can apply to become one of the judges.
